

Simplify Lien Waiver Collection with BuilderPaid

Are you using Quickbooks Online and growing tired of the hassle of collecting lien waivers from subcontractors? Streamline the process and protect your projects with our easy-to-use online portal!

Introducing BuilderPaid: A Lien Waiver Collection Portal

Effortless Submission:

Subcontractors can submit their lien waivers and corresponding invoices quickly and easily, reducing paperwork and saving time.

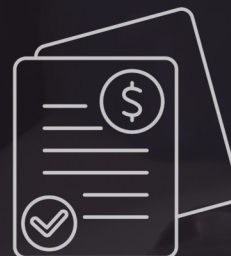

Scan For
More Info

All-in-One Submission: No more invoices without waivers and vice versa. Your subcontractors will be able to upload both to you in one complete submission. Ready for import into your Quickbooks Online.

Secure & Organized:

Store all lien waivers in one secure location, ensuring you have easy access when you need it most.

Fillable Waivers: Your subcontractors can use our fillable waivers to ensure compliance while simultaneously submitting their invoices.

User-Friendly Interface: Designed for simplicity, our portal ensures that subcontractors can navigate easily and find what they need quickly.
