

# Simplify Lien Waiver Collection with BuilderPaid: An Online Portal!

Are you using Quickbooks Online and growing tired of the hassle of collecting lien waivers from subcontractors? Streamline the process and protect your projects with our easy-to-use online portal!

- ✓ **Effortless Submission:** Subcontractors can submit their lien waivers and corresponding invoices quickly and easily, reducing paperwork and saving time.
- ✓ **Secure & Organized:** Store all lien waivers in one secure location, ensuring you have easy access when you need it most.
- ✓ **All-in-One Submission:** No more invoices without waivers and vice versa. Your subcontractors will be able to upload both to you in one complete submission. Ready for import into your Quickbooks Online.
- ✓ **Fillable Waivers:** Your subcontractors can use our fillable waivers to ensure compliance while simultaneously submitting their invoices.
